

Consent Form: Usability Test

Please read and sign this form.

During this usability test I agree to participate in two online or in-person sessions. During the first session I will be asked to complete questionnaire to gather information about my domain experiences and relevant expertise. In the second session, I will be asked to complete tasks using the tools provided and complete a questionnaire about the experience.

I understand and consent to the use and release of the study results by the investigators of this research project. I understand that the survey and study results are for research purposes only and that my name and contact information will not be used for any other purpose. I relinquish any rights to the study results and understand the study results may be published in a journal or presented at an academic conference by the investigators of this research project, without further permission.

I understand that participation is voluntary and I agree to immediately raise any concerns I might have.
